DAITO CR II 1040 COPING ROBOT USED COPING ROBOT

WHAT'S IN IT FOR YOUR WORKSHOP?

- **Precision and Efficiency:** With the Daito CR II 1040, say goodbye to manual errors and rework. This robot offers precise and accurate coping of structural steel, boosting project quality and speeding up production.
- **Boosted Productivity:** Save time and take on more projects. This robot can multitask, increasing your workshop's productivity and meeting tight deadlines without sacrificing quality.
- **Labor and Cost Savings:** Reduce labor costs and minimise the risk of injuries. The Daito CR II 1040 reduces your reliance on skilled labor for coping tasks, enhancing your workshop's efficiency and safety.
